REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Director and Managing Members
of COMCAP, LLC

We have audited the financial statements of COMCAP, LLC ("Company") which comprise the statement of financial condition as of December 31, 2017, and the related statements of operations, changes in member's equity, and cash flows for the year then ended December 31, 2017 that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that that our audit provides a reasonable basis for our opinion.

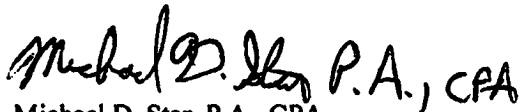

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of COMCAP, LLC as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 5 to the financial statements, the Company has suffered recurring losses from operations and has used, rather than provided cash in its operations that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matter are also described in Note 5. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(Continued)

The information contained in the supplemental schedule listed in the accompanying index has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements.

The supplemental information has been subjected to audit procedures performed in conjunction with the audit of COMCAP, LLC's financial statements. The supplemental information is the responsibility of COMCAP, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the Supplementary Information is fairly stated in all material respects in relation to the financial statements as a whole.

COMCAP, LLC

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2017

Note 1

Organization and Summary of Significant Accounting Policies

Organization and Business

COMCAP, LLC ("Company") is a Limited Liability Company which was formed in March 2017 in the state of California. The Company is a broker-dealer, with a perpetual period of duration, registered with the Securities and Exchange Commission ("SEC") and the Company is a member of the Financial Industry Regulatory Authority as of November 9, 2017. The Company provides merger and acquisition, financial and capital advisory services to clients in various industries.

Rule 15c3-3 Exemption

The Company, under Rule 15c3-3(k)(2)(i), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts.

Revenue Recognition

The Company recognizes Advisory fees when contract services are completed and fees are earned. Fees are considered to be earned when the terms of the agreement have been satisfied. Retainer fees are recognized when received and the work is performed. During 2017, two clients accounted for 100% of the Advisor fees and no clients accounted for greater than 10% of the Retainer fees.

Cash Equivalents

The Company defines cash equivalents as highly liquid investments, with original maturities of less than 90 days, which are not held for sale in the ordinary course of business.

Income Taxes

The Company is a Limited Liability Company for federal income tax reporting purposes. Therefore, the financial statements do not include a provision for income taxes since the Company is not a taxable entity. The Company's members are taxed on the Company's earnings.

At December 31, 2017, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company's open tax years (2012 through 2017) remain subject to income tax audits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

COMCAP, LLC

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2017

Note 2 *Financial Instruments and Concentration of Risk*

Financial instruments subject to risk concentration are cash and cash equivalents. The Company maintains depository cash and certificates of deposit with one banking institution. Depository accounts are insured by the Federal Depository Insurance Corporation ("FDIC") to a maximum of \$250,000 per bank, per depositor. Total cash and cash equivalents for the Company exceeding the FDIC insured limit is \$0 as of December 31, 2017.

Note 3 *Commitments, Contingencies, and Related Party Transactions*

The Company leases office space under an operating lease expiring in June 30, 2019.

Future minimum lease payments under the above non-cancelable operating lease as of December 31 are:

2018	10,500
2019	<u>5,250</u>
Total	<u>\$26,250</u>

Note 4 *Net Capital Requirements*

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (15c3-1) ("Rule"), which requires the maintenance of minimum net capital. The Rule prohibits the Company from engaging in securities transactions at any time the Company's net capital, as defined by the Rule, is less than \$5,000, or if the ratio of aggregate indebtedness to net capital, both as defined, exceed 15 to 1 (and the rule of "applicable" exchange provides that equity capital may not be withdrawn, or cash dividends paid, if the resulting net capital ratio exceeds 12 to 1).

At December 31, 2017, the Company has net allowable capital of \$261,131 which exceeded the required net capital by \$255,943.

Note 5 *Going Concern*

The Company has suffered recurring losses from operations and has used, rather than provided, cash in its operations. Without realization of additional capital or addition revenue sources, it would be unlikely for the Company to continue as a going concern. It is management's plan to obtain additional sources of capital and revenues. The financial statements do not include any adjustments relating to the recoverability and classification of recorded and liabilities that might be necessary should the Company be unable to continue in existence.

Note 6 *Regulatory Requirements*

The Company is exempt from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 as the Company does not hold customers' cash or securities.

Note 7 *Subsequent Events*

The Company has performed an evaluation of subsequent events through the date the financial statements were issued. The evaluation did not result in any subsequent events that required disclosures and/or adjustments.

Report of Independent Registered Public Accounting Firm

The Board of Directors and Members of
ComCap LLC

We have reviewed management's statements, included in the accompanying Form Custody exemption report, in which (1) ComCap LLC (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(i) (the "exemption provisions") and (2) the Company stated that the Company met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on the management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the securities Exchange Act of 1934.

**INDEPENDENT AUDITOR'S AGREED-UPON PROCEDURES REPORT ON SCHEDULE OF
ASSESSMENT AND PAYMENTS (FORM SIPC-7)**

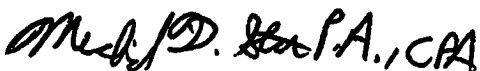

Managing Member of ComCap LLC

In accordance with Rule 17a-5(e)(4) of the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments (Form SIPC-7) to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2017, which were agreed to by ComCap LLC, and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating ComCap LLC's compliance with the applicable instructions of Form SIPC-7. ComCap LLC's management is responsible for ComCap LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1) Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
- 2) Compared the amounts reported on the audited X-17A-5 for the year ended December 31, 2017, as applicable, with the amounts reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 3) Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4) Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matter might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
